

Dhanutronics

<https://www.indiamart.com/dhanutronics/>

We are the foremost Manufacturer and Supplier of Fire Fighting Control Panel, Pharmaceuticals Control Panel, Textile Control Panel etc. These products are used for their easy installation & precise dimension.

About Us

Incepted in the year **1992**, at **Mumbai (Maharashtra, India)**, we, **“Dhanutronics”**, are engaged in **manufacturing** and **supplying** a premium quality range of **Packaging Control Panel, Railway Relay Panels, Automation Control Panels, Latest Control Panels, Power Control Panels, Flame Proof Control Panel**, etc. These products are manufactured and designed under the guidance of skilled team of professionals using high grade raw materials and latest technology in accordance with international quality standards. Our team of procuring agents procures raw materials of optimum quality from reliable and certified vendors of the market. These products are appreciated for robust design, sturdy construction, less maintenance, high durability and reliability. We offer these products in various specifications in terms of size, shape and dimension in order to meet the variegated needs of the clients. Besides, clients can avail these products in customized form too as per their precise requirement at affordable prices. We have developed a state-of-the-art manufacturing unit that is spread over a wide area. For smoother work flow, we have segregated our infrastructure into different departments such as manufacturing, quality control, R & D and warehousing & packaging departments. Our production facility is well equipped with the ultra-modern machinery and latest technology that assists us in meeting the large-scale and urgent orders...
